PLEASE PASS ON A COPY OF THIS INFORMATION CONTRACT WHEN YOU MAKE A SALE.

Please let other growers and potential sellers know their obligations to Oat Advantage in using and selling this oat variety. It is the Seller's duty to pass on the royalty.

2. IF YOU HAVE GROWN ORe6251M AND WISH TO SELL SOME OF YOUR FUTURE

SEED PRODUCTION TO YOUR FRIENDS, NEIGHBOURS, and CONTACTS,

SEE INSTRUCTIONS ABOVE. It is the SELLER'S duty to pass on the royalty. Thanks.

*We have PLANT BREEDER'S RIGHTS protection on our **oat** varieties.

*PBR certification allows us to collect royalties on our varieties. Typically, we collect those royalties on the initial sale of seed through seed sellers.

*Funding from the sale of seed keeps us developing new **oat** varieties key to your farm, to the **oat** industry, and to consumers. It is illegal to trade our **oat** varieties without our consent or proper compensation.

*Thank you for your understanding and support of our diligent work. Sincerely, *Jim Dyck*
